

Exotik Series >> Total India

Future Loops has the honor to present "**Total India**", a stunning sample library that **showcases the beauty and richness of Indian music like never before.**

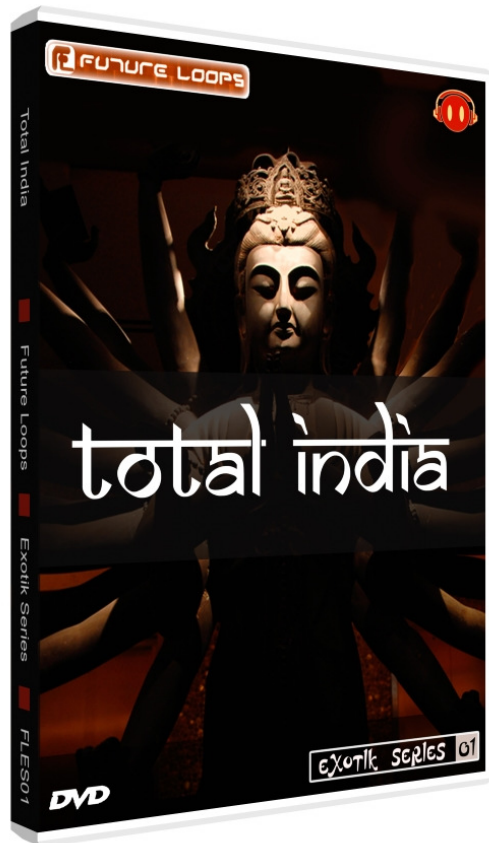

This breathtaking collection is by far the most **ambitious and extensive exploration** of the mystical legacy that lies within India's musical tradition .

More than a sample pack , "**Total India** " is a **complete and mind-bending insight on Indian Music** and its enchanting myriad of sounds.

Intimately connected with religion and popular culture, Indian music and its instruments have passed from generation to generation . Persevering musicians devote their lives to the search of perfection in playing and further understanding of a music that is as Spiritual as it is **Complex** and as **Magical** as it is **Puzzling** .

Exotik Series >> Total India

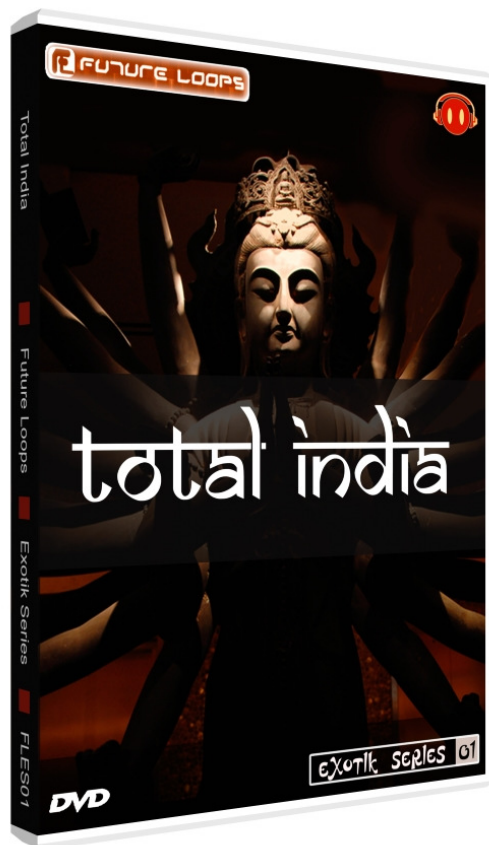

This **exotic** and almost **inebriating** energy that exhales from Indian Music easily blends itself with other genres conferring an always alluring and colorful tone to a track . However it is extremely difficult for many music producers to access such sounds without spending a fortune and in some cases without having to travel to India..

Our mission was therefore to develop a **collection of Indian Music that finally brings music producers thousands & thousands of samples at the best possible price !**

With this in mind Future Loops travelled to this fascinating country and recorded "**Total India**", a **massive collection of 44 instruments (plus Vocals)** , that reflects the intoxicating splendor of Indian Music.
